

ABOUT ME

I am a dedicated nurse with a wide range of health care skills for people of different ages.

I have excellent interactions with the patient and critical thinking skills, as well as effective communication and collaboration within the teams to provide safe and patient-centered care.

I have the capacity to effectively direct and supervise a multidisciplinary team in a pressurized medical care environment, and a good understanding of the private medical sector and how it can work in partnership with a public health service.

NATALIE MILLER

Nurse

 C 198 S Owens Street Byers, CO 80103 (USA)
